

Shuffles NYC

SHUFFLES UPDATED SAFETY PROTOCOLS:

-In accordance with New York's new "KEY TO NYC" regulations, Studio Maestro falls under the Fitness Establishment Clause, therefore, **we will require both students and staff to have a proof of vaccination for entry into the studios (12 years or older).**

-Younger students ages 11 and under will be temperature checked.

- The lobby will not be open to the public. Parents can drop off and pick up students at the 68th Street door. Younger students will be escorted upstairs by SHUFFLES staff to meet their caregiver.

-Please do not arrive more than 5 minutes early to class, as students will not be allowed in the lobby until 5 minutes before class.

-While in class and on the premises at Studio Maestro, everyone is required to wear a mask.

-There are stations at the top of the stairs, in the lobby, and in each studio with hand sanitizer. Students will be expected to sanitize their hands when they enter and exit the studio.

-Dressing rooms will not be open; please arrive for your SHUFFLES classes already dressed in uniform. Bathrooms will be open to one person at a time.

-For younger students who need to be accompanied downstairs by their parent, **parents must provide proof of vaccination.**

-Baby Broadway parents can join their children in class (**with proof of vaccination**), and Pre-Tap parents can escort their children to and from class (**with proof of vaccination**).

-Teachers will be in the studio as students enter to supervise that social distancing is maintained.

-Students will place their belongings, including bags, shoes, and coats in designated, distanced spots along the wall. Water bottles may be placed on the outer edge of the dancer's square.

-Drinking fountains will not be open. Please bring a full water bottle with a straw to class. Students can drink water through a straw, under their mask.

-Capacity in each studio will be restricted to avoid crowding. Capacities are as follows:

-Studio 1: 20 people (including teachers & pianists)

-Studio 2: 25 people (including teachers & pianists)

-Studio 3: 15 people (including teachers, pods/privates only)

-Classroom: 2 people (including teacher)

-The studio facilities are cleaned nightly and deep-cleaned/sanitized weekly.

-Studio Maestro installed new state recommended HEPA air filtration systems along with new fans on the upper sides of each wall to boost outside air flow.

-If a student, parent, or anyone in your home has been diagnosed with COVID-19 or has been notified by the NY Department of Health that they were in contact with an individual infected with COVID-19, you must notify SHUFFLES at once.

-If a student/teacher tests positive for COVID-19, we will contact trace and the class will go on Zoom.
